

Schedule 3: Market information

1. DHB Hospital usages below are expressed as the unit volume in the year ending 30 June 2005. The values are approximate and indicative only. PHARMAC makes no representation as to the accuracy of these figures or as to the level of sales or likely sales of any product. In particular, if these figures change at any time during the request for proposals process, PHARMAC is not obliged to notify you of any such change.
2. You acknowledge and agree that in submitting your proposal you will rely on your own knowledge, skill and independent advice or assessment of the market size and PHARMAC is to have no liability in that regard.
