Review of PTAC's Guidelines – extended deadlines

As you are aware, PHARMAC is reviewing the '*Guidelines for the Pharmacology and Therapeutics Advisory Committee (PTAC) and its Sub-Committees*' which detail the terms of reference for these PHARMAC advisory committees.

We will be extending the deadlines previously advised to allow interested groups more time to prepare their responses.

Please forward your written submissions to Erin Murphy, PTAC Secretary (erin.murphy@pharmac.govt.nz or (04) 916 7512) by **5pm on Friday 20 June**.

If you wish to meet to discuss your submission or share your views in person, please contact Erin Murphy by **Friday 6 June**. If there is significant interest in face-to-face meetings, we may organise larger meetings with groups of stakeholders.

We look forward to hearing your views and will continue to keep you abreast of this process as it evolves.

Yours sincerely

Matthew Brougham
Chief Executive
