TENDER RESULTS

The PHARMAC Board (or Chief Executive under Delegated Authority) has resolved to award tenders for Sole Subsidised Supply Status and Hospital Supply Status for some products included in the 2009/10 Invitation to Tender, dated 4 December 2009 and the 2010/11 Invitation to Tender, dated 2 November 2010.

As discussed in our 2010 tender consultation document, we intend to notify tender decisions as they are made in 2011. This change is to provide maximum notification of upcoming changes to the market, specifically to incumbent suppliers.

Some of the pharmaceuticals that will be delisted when the period of Sole Subsidised Supply commences may be subject to existing listing contracts with PHARMAC. Suppliers of pharmaceuticals that are subject to such contracts should continue to supply their pharmaceuticals under those contracts. PHARMAC will continue to subsidise those pharmaceuticals accordingly until such time as those pharmaceuticals are delisted.

Notification of Product Changes (NOPC) forms

Please note that for any changes (price change, pack size change, new listing etc) to be effective in the Pharmaceutical Schedule (including Section H), suppliers are required to notify any changes to PHARMAC and the Pharmacy Guild of New Zealand by 4pm on the **12th of the month prior to the date of subsidy change**. More information and NOPC forms can be found on our website – www.pharmac.govt.nz/schedule.asp.
