

# Labetalol (Trandate)

You have a new brand of labetalol

The supplier of Trandate brand labetalol tablets has decided to stop supplying them to New Zealand.

## New brand Presolol

To make sure you can continue to get your treatment, your pharmacist will have given you a new brand of labetalol, called Presolol.

Presolol is made in Australia.

## More information

You can learn more about this supply issue on our website.
