

Paroxetine (Loxamine) tablets

Supply issue

Loxamine is out of stock

Because of delays at the factory, the supplier is out of stock of your usual brand of paroxetine tablets, Loxamine.

To make sure you can continue to access your treatment, we have funded a different brand, Paxtine.

More information

You can learn more about this issue on our website. Use the web address or scan the QR code with your phone.

Paxtine is the same formulation as Loxamine

This product is made by the same supplier as Loxamine. It looks the same and has the same amount of active ingredient. It is designed to work in your body the same way.

However, its packaging and labelling is designed for Australia.

Approved by Medsafe

Medsafe has approved Paxtine for use in New Zealand Aotearoa.

Tablets for both brands are the same. The only differences are the packaging
