

# Rosuvastatin supply issue

5 mg tablets

There is a supply issue affecting your usual brand of rosuvastatin.

## Rosuvastatin Sandoz is your temporary new brand

To make sure you can continue to access this treatment, we have temporarily funded Rosuvastatin Sandoz.

Medsafe has approved this brand.

### Different look

While it works the same, the Sandoz brand looks different. The tablets are terracotta colour and don't have any marks on the tablets

### Rosuvastatin Viatris (5 mg)

(Not shown to scale)

### Rosuvastatin Sandoz (5 mg)

## Same active ingredient, in the same amounts

Rosuvastatin Sandoz has the same active ingredient in the same quantity as your usual brand. It should work in your body the same way.

### We're sorry

We know that supply issues can be disruptive. Unfortunately the supplier has not been able to avoid an outage.

### More information

There's more information about this on our website. Use the web address or scan the QR code with your phone.
