

Nortriptyline (Norpress)

Your brand is changing to Allegron

What's happening?

The supplier of Norpress tablets is no longer supplying them to New Zealand.

New brand, same medicine

We are funding a new brand of nortriptyline tablets, Allegron

Allegron tablets have been reviewed by Medsafe. They have the same amount of active ingredient, in the same quantity as Norpress.

Allegron tablets should work in your body the same way as Norpress.
