

Your brand of colchicine has changed

Colgout is now Colchicine Indoco

Same active ingredient

Colchicine Indoco contains the same active ingredient, in the same strength. It is designed to work in your body the same way.

Now in blister packs

To improve safety, your colchicine now comes in blister packs.

If you can't easily use blister packs, talk to your pharmacist about the best way to manage this.

More information

There's more information about this on our website. Use the web address or scan the QR code with your phone.
