

Dexcom G6 retiring

You will need a new prescription

Supplier will stop supply Dexcom G6

Now that the Dexcom G7 works with both funded insulin pumps, the supplier has decided to discontinue the G6 model.

Other funded options available

Dexcom G7 and Freestyle Libre 3 Plus are funded for you and will work with your insulin pump.

Talk to your GP or diabetes specialist about the right option for you.

When do you need to change?

We recommend you get a new prescription as soon as possible.

The Dexcom G6 will stop being available in early 2027.

More information

There's more information about this on our website. Use the web address or scan the QR code with your phone.
