

Ferrograd iron tablets (ferrous sulfate)

Your iron tablets are being discontinued

Ferrograd tablets will stop being available by early September 2025.

Pharmac has not been able to secure an ongoing supply of ferrous sulfate tablets.

More information

You can learn more about this on our website. Use the web address or scan the QR code with your phone.

www.pharmac.govt.nz/ferrograd

Other treatments are available

You will need to talk to the person who prescribes your iron tablets about what option is right for you.

There are funded treatment options available.
