

Tensipine MR10 (nifedipine)

Your medicine is being discontinued

What's happening?

Tensipine MR10 will no longer be available from November 2025.

Pharmac has not been able to find a company willing to supply this product to New Zealand.

We're sorry for the disruption

We know changing treatment can be disruptive. We do not make the decision lightly to stop funding a product.

Talk to your doctor

You will need to talk to your doctor, or the person who prescribes your Tensipine MR10.

They will work with you to find another treatment for you.
