

Nitrofurantoin Clinect is your new brand

Brand change

Your previous brand, Nifuran, has stopped being made. Nitrofurantoin Clinect is your new brand.

Same active ingredient, in the same amount

This medicine has the same active ingredient in the same amount. It is designed to work in your body the same way.

Medsafe approved

Medsafe is the New Zealand agency responsible for ensuring medicines in New Zealand are safe and effective.

Medsafe has reviewed and approved Nitrofurantoin Clinect. It meets New Zealand standards of quality, safety, and effectiveness.

More information

There's more information about this on our website. Use the web address or scan the QR code with your phone.

The tablets look slightly different

Both tablets are yellow, round, and are scored on one side.

The old Nifuran tablets were flat, while the new Clinect tablets are slightly rounded (biconvex).

Old: Nifuran tablets

New: Nitrofurantoin Clinect tablets
