

Ipratropium Nebulisers

Your new brand is Viatris

To ensure you can continue to access this medicine, we are funding a new brand of ipratropium nebuliser, Viatris.

Viatris is your new brand

This medicine has the same active ingredient in the same amount. It is designed to work in your body the same way

Strength remains the same

You may notice that the strength is written differently from your previous brand.

The Viatris brand says “0,5 mg/2 ml” where the Univent and Accord brands said: “250 mcg/1 ml, 2ml”. This is two different ways of writing the same strength.

Label is in French and English

All labels on the medicine are written in both French and English.

French supplier details

Normally medicines have the supplier's New Zealand contact details. This product has the French office details for Viatris.

You can contact Viatris in New Zealand at 0800 168 169 or infonz@viatris.com

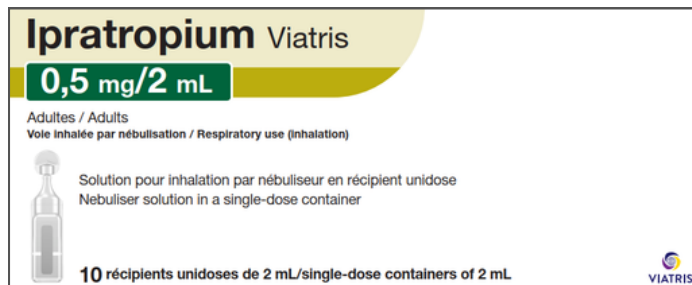

More information
