

Ramipril (Tryzan) 1.25 mg

Supply issue

Due to problems at the factory, your usual brand of ramipril (Tryzan) is not available.

Ramipril Viatris is your temporary brand

To ensure you can continue to access treatment, Pharmac has funded the Viatris brand of Ramipril.

Same active ingredient

Ramipril Viatris contains the same active ingredient, in the same strength. It is designed to work in your body the same way.

Your informed consent needed

Because Medsafe hasn't approved this product, your prescriber and pharmacist have extra steps they have to follow.

These include talking to you about what this means and getting your informed consent.

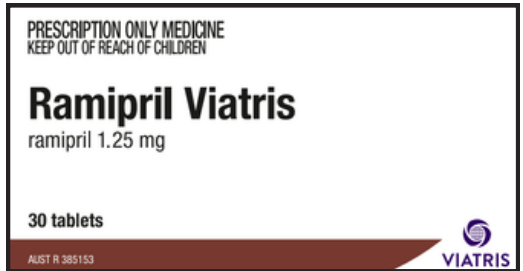

More information

There's more information about this on our website. Use the web address or scan the QR code with your phone.

Different look

Ramipril Viatris comes as a tablet (rather than your usual capsule).
