

Ramipril (Tryzan) 5 mg

Supply issue

Due to problems at the factory, your usual brand of ramipril (Tryzan) is not available.

Ramipril Mylan generics is your temporary brand

To ensure you can continue to access treatment, Pharmac has funded the *Mylan generics* brand of Ramipril.

Same active ingredient

Ramipril Mylan generics contains the same active ingredient, in the same strength. It is designed to work in your body the same way.

Your informed consent needed

Because Medsafe hasn't approved this product, your prescriber and pharmacist have extra steps they have to follow.

These include talking to you about what this means and getting your informed consent.

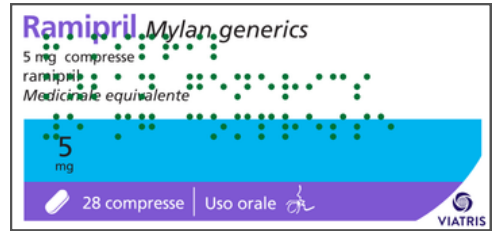

More information

There's more information about this on our website. Use the web address or scan the QR code with your phone.

Different look

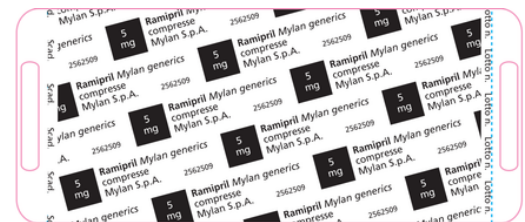

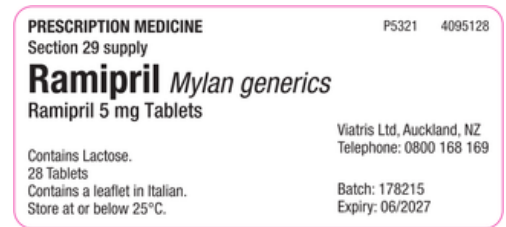

Ramipril Mylan generics comes as a tablet (rather than your usual capsule).

5 mg Ramipril Mylan generics box

The dots will be raised braille text. The box is white with blue and purple highlights.

Boxes will come with an English label added.

5 mg blister pack label.
