Request for proposals (RFP) – Supply of progestogen-only long-acting intrauterine systems – Extension to due date

Following consideration of requests, PHARMAC has extended the deadline for responses to the request for proposals (RFP) for supply of progestogen-only long-acting intrauterine systems. The RFP was issued on 11 September 2015 with a deadline for responses of 9 October 2015.

The revised due date for the RFP is now **16 October 2015**.

As noted in the initial RFP document any questions you might have can be sent to Bronwyn Hale, Therapeutic Group Manager (bronwyn.hale@pharmac.govt.nz).
